Traffic Safety Supply Company follows the MUTCD standards in reference to the guidelines constituting "Right" and "Left" designations.

Right Hand Markers are placed on the right side of the road to direct traffic to the left of the marker.

Left Hand Markers are placed on the left side of the road to direct traffic to the right side of the marker.

Left Hand Right Hand

INTERSTATE / CUSTOM

Please contact us
with your
project details.

Traffic Safety Supply Company has been manufacturing interstate signs for over 40 years. Our production facility gives us the ability to create custom and large interstate signage.
