SCHOOL CROSSING #13709006

- Enhanced Visibility – contains 30% glass beads by weight to provide retroreflectivity throughout its service life.
- Enhanced Worker and Environmental Safety – Creates no hazardous wastes or conditions during application.
- Enhanced Durability – Provides optimum wear in adverse conditions.
- Enhanced Temperature and Application Flexibility – Does not have any road or air temperature requirement
- Enhanced Performance on a Wide Range of Surfaces – Oil and gas impervious. Can be applied on fresh asphalt as soon as the road surface can be walked on. Does not slip or peel up. Can be applied on on chip seal, concrete, and other rough surfaces.
