Band-It Bantam Tool

TRAFFIC SAFETY
SUPPLY COMPANY

PRODUCT DESCRIPTION

The Bantam Tool C075 is designed for use in light duty banding applications such as sign hanging. With the unique 3-way handle, the Bantam Tool can be used in the pistol grip position for one-handed tensioning, or in the other positions for two-handed tensioning. It is especially useful in tight area with minimal access. Tension release levers have been incorporated into the tool design for situations requiring repositioning of the band after tensioning has begun.

» Compact and lightweight ratchet action tool with a built-in cutter

» Designed for easy loading and removing of material

» Zinc Plated for corrosion resistance

» Perfect for insulation, cable bundling, and sign hanging!
