DP08928	Water Based, Fast Dry, White, 5 Gallon	1	75#
DP08929	Water Based, Fast Dry, Yellow, 5 Gallon	1	75#

### Formulations

- **Waterborne:**  
Fast Dry formulation

- **Solventborne:**  
Hi VOC or Low VOC formulations. Versatile with quick dry times and extended durability

### Application

- **Waterborne:**  
Proven acrylic emulsion technologies; formulated for use between 35-120° F (2-49° C)
- **Solventborne:**  
Co-polymer technology suitable for colder climates where waterborne cannot be used

### Compliance/Certification

- Engineered to meet your federal, state, local, or commercial specifications
- Facility is ISO 9001:2015 certified for the design, development and manufacturing of traffic paint

The specifications provided are approximate and subject to change. Graphics and illustrations are intended for illustrative purposes only.
