

SafePace® Cruiser LT

Rotating Speed Trailer

TRAFFIC SAFETY
SUPPLY COMPANY

THE SAFEPACE CRUISER LT TRAILER ALLOWS YOU TO USE YOUR SAFEPACE SIGN FOR TRAFFIC CALMING ON THE GO.

The unique Cruiser LT allows you to rotate your SafePace sign, eliminating the need for precise parking and protecting the sign face during travel. Built to last, the compact, affordable Cruiser LT trailer will let you get the most out of your SafePace signs.

FEATURES

- » Can be deployed in under 3 minutes by a single operator.
- » Ideal for rotating in high traffic neighborhoods, school zones, work zones, or for special events.
- » Low profile and light weight makes it easy to tow and transport.
- » Rotating system allows you to direct sign toward traffic and protects face during travel.
- » Limited maintenance, cost effective solution for years of continuous use.
- » Polyester powder coat finish for rust-proof protection.
- » Compatible with all SafePace signs.
- » Torflex axle for cushioned ride.
- » Interchangeable speed limit sign included
