DebrisClear

Truck Mounted Hazard Removal System

»»» IMPROVING TODAY FOR A SAFER TOMORROW

PRODUCT OVERVIEW

PRODUCT NO. - DP08343 - Ford F350
- DP08344 - Dodge Ram 3500

Keep roadways clear and safe for drivers while protecting road maintenance crews and traffic response teams. DebrisClear reduces the risk of secondary accidents and traffic delays by quickly removing hazards and stranded vehicles.

FEATURES

- Safe, in-truck operation with dual camera system
- Easily raise and lower DebrisClear with the push of a button
- Quick access to integrated tow hooks
- Distribute push-bumper force with ultra-wide surface area and mark resistant rubber shield
- Low maintenance single piston hydraulic system
- Low repair cost with all-steel construction and corrosion-resistant finish.

SPECIFICATIONS

- DebrisClear Rating: 150 lbs. at 15 mph
- Push Bumper Rating: 80,000 lbs.
- Total Unit Weight: 130 lbs.
- 1-year Limited Warranty

Compatible with standard push bumpers on three-quarter ton or higher vehicles.

In-truck operation with dual camera system
