PRODUCT OVERVIEW

**PRODUCT NO. - DP08374 (#10, 10 Unit Stack)
DP08847 (#7, 6 Unit Stack)**

Upgrade your work zones with the Smarter Cone—where classic design meets cutting-edge technology. With integrated illumination, sequential flashing, radio-link connectivity, impact detection, and cloud monitoring. It's safer, smarter, and easier to deploy than any traditional cone. Make every zone more visible, efficient, and worry-free.

FEATURES

- Internally lit cone, flashes sequentially, simultaneously, or steady on.
- When a cone is struck, choose how the line reacts: steady-on, all-off, or keep flashing. Simple. Reliable. Yours to control.
- Stackable

Up to 10 Stackable cones make recharging effortless.

SPECIFICATIONS

- Available in 28-inch JBC #10 or #7 cone
- Orange w/ two white stripes
- Radio connected with remote control range of 300 meters (1000 feet).
